

MARBLETOWN'S 100% RENEWABLE ACTION PLAN PRESENTS:

# LOW-COST CLIMATE INNOVATION

Even if a municipality does not have a giant budget to help its citizens take steps to lower their carbon emissions, there are plenty of opportunities to lower carbon emissions at low cost. Join the Marbletown ECC as they dive into how Marbletown, NY is aiming to achieve 100% renewable energy.

## HOW MARBLETOWN IS PLANNING FOR THE FUTURE

- HEAT PUMP INCENTIVES
- BUILDING UPGRADES
- CLEAN HEAT CAMPAIGNS
- CREATING A UTILITY GEOTHERMAL NETWORK
