Community Power

I. Discussion of draft 100%

Renewable Action Plan - Outreach

- a. Timeline: Gather and meet with 10 initial pledge takers in January, Adopt by earthday
- b. Gather 10 initial pledge takers to take the pledge at a town board meeting, these can include businesses such a G&G, Hardware Store, restaurants, High Meadow, Hurley Motor Sports,, Architects offices, Realtors. We would ask these 10 folks to help us with outreach ideas.
- c. Businesses would agree to carry/sell/promote items that are 100% renewable and to implement non fossil fuel equipment within their place of business where it is practical.
- d. Ideas for outreach include:
 - i. Film festival + food
 - ii. Meet ups
- e. We discussed food - how food choices relate to environment and agreed to further present this material to the community in a meet up where we can show films, cook food, etc...

II. Danskammer fracked gas power plant:

Iris agreed to look at multiple Resolutions which have already passed, and write Marbletown-specific Resolution to stop the Danskammer fracked gas power plant, which has not been permitted or built."

III. Stretch Energy Code:

- a. Pre-approved by the state and is more aggressive than the 2020 codes.
- b. ECC to vote regarding support of the stretch code. Amy will review and provide Comments.

IV. Youth Environmental and Sustainability Summit

- a. Ashokan Center February 6-8 One evening will be an adult night. Details are still forthcoming
