GOVERNING BODY INITIATED  
PLAN OF DISSOLUTION  
OF THE  
VLY-ATWOOD FIRE DISTRICT  
IN THE TOWN OF MARBLETOWN  
PURSUANT TO  
GENERAL MUNICIPAL LAW ARTICLE 17-A**

Prepared by:  
Board of Fire Commissioners  
Vly-Atwood Fire District  
May 22, 2022

## INTRODUCTION

The Vly-Atwood District (FD 087) (“Fire District”) in the Town of Marbletown (“Town”) was established by resolution of the Town Board to provide a means to collect tax revenue to provide for fire and emergency services to the persons and properties within the Fire District. The Board of Fire Commissioners of the Fire District has always been and continues to be the “governing body” of the Fire District.

The fire and emergency services for all times relevant hereto have been provided to the Fire District by the Vly-Atwood Fire Co., Inc. (“Department”).

The tax ID Code “FD 087” for the Fire District appears on the final assessment rolls of the Ulster County Real Property Tax Services and is comprised of all of the taxable properties in the Fire District.

For a period of many months, the Department has been unable to provide sufficient personnel to the Fire District to provide an effective firefighting and emergency response agency. Given the reality that the Fire District is no longer able to provide the essential services for which it was created, the Fire District should be dissolved and the area served should be managed by the Town of Marbletown by the establishment of a fire protection district that will encompass the entirety of the existing Fire District. By following this plan of action, the immediate needs for the provision of fire protection for the properties within the former fire district will be met and the Town will have the sufficient time to develop a more comprehensive plan for future fire protection involving neighboring fire districts and fire companies.

Therefore, the Board of Fire Commissioners brings forth the within Governing Body Initiated Dissolution Plan to dissolve the Fire District to comply with the legal mandates in compliance with General Municipal Law Article 17-A.

## **DESCRIPTIVE SUMMARY OF PLAN OF DISSOLUTION**

The Vly-Atwood District (FD 087) Plan of Dissolution provides for the dissolution of the Fire District effective June 30, 2022. The provision of fire and emergency services will be unaffected and will continue to be provided to the area by neighboring fire departments pursuant to the Ulster County Office of Emergency Management's Mutual Aid Plan. All tax revenue previously collected by the Fire District, all capital reserve accounts, and all cash assets, will be remitted to the Town of Marbletown to be used for the continued provision of fire protection services through December 31, 2022 and beyond. Fire District property such as apparatus and equipment will be transferred to the Town of Marbletown with the express intention that those assets will be repurposed by other fire service agencies in the Town that will be providing fire protection and emergency services on a mutual aid basis to the properties that are located within the boundaries of the Fire District. The Fire District has no employees. Once the Fire District is dissolved, the Town of Marbletown will assume the responsibility for providing fire protection and fire suppression services to the area and will become the authority having jurisdiction over any fire protection district established in place of the Fire District. The Vly-Atwood Fire Co., Inc., though still technically an active corporation at the commencement of this dissolution process, will no longer provide any fire protection services to the Fire District or surrounding areas.
