

# **FREE Food Scrap Collection For Marbletown Permit Holders**

Cut Your Trash Bill With Transfer Station Composting

The Transfer Station in High Falls is giving you one more way to cut the amount of garbage you pay to throw away.

Separate all the items in the middle column and never deal with a smelly trash can again.

Almost all organic material is accepted. Collect it in a container, drop the contents in the green compost bin at the Transfer Station and take your container back home with you.

Reminder: Permit holders can also drop off all other recycling for free.

## **All Food is Compostable**

Bones & Skin  
Bread  
Coffee Grounds  
Dairy  
Eggs and Shells  
Fruit  
Grains  
Meat  
Veggies

## **Some Paper is Compostable**

Tea Bags (no staples)
